If your budget incurs Underrecovery, you must identify the sources of funding that will support the expense and distribute it to those sources. Underrecovery (unrecovered F&A) is generated by indirect costs that are not paid by the Sponsor. Some ways this can happen are:

- The Sponsor will not pay the Institute’s full F&A expenses.
- The Sponsor uses a different indirect cost base, such as Total Direct Cost (TDC).
- The Sponsor uses a different rate than the current Institute rates, such as a fixed-for-the-life award.

Procedure:

While in the Budget, click the Institutional Commitments → Unrecovered F&A on the Navigation panel. The Unrecovered F&A screen will open with default settings for each Project Period (Fiscal Years, On/Off Campus, etc.).
